Essex Lucy soaps up!

Lucy Mecklenburgh scrubs up well!

WORDS: RORY BUCKERIDGE
PHOTOS: FLYNETPICTURES.COM, PLANET

Looking for all the world like she really doesn't know there's a snapper in the bushes across the road,

capturing this scene for all eternity, here's *The Only Way Is Essex*'s Lucy Mecklenburgh polishing her mate's Mini to within an inch of its life!

Many of her critics on the show (mostly her catty chums sticking their well-manicured nails into her back) think that Lucy is something of a scrubber. But, as these pictures expertly show, the only scrubbing Lucy excels at is a bikini-clad, saucy rub down of a car's paintwork.

The car, incidentally, lifted its chin for a tickle and wagged its exhaust like a spaniel's tail!

IN THE SHOW!

"Photographer? Where? I don't see anyone."
Whispers: "Hi boys!"

"Ooooh! Where
did these puppies
come from?"

"I did not see
that coming!"

"It's so hot, I think
I'll strip off and

CROUCH!

Tottenham

The London clubs' front men on this week's huge North London derby!

Crouch: "We can compete with anyone!"

Hi Crouchy! So the Champions League adventure is over. Any regrets? Being sent off in Madrid was a big blow, obviously, and I apologised to the lads. But overall, I think we can be proud of what we achieved. We broke new ground for this club and I also think the style of football we played impressed everybody. Any suggestion that you should have played a more "European" defensive game? That's not us. Look at our players – lads like Gareth Bale, Luka (Modric), Raphael van der Vaart, Aaron (Lennon)... we have to be positive. We're an attacking team, there's no hiding from it. The manager believes in taking the fight to

the opposition, and we're 100 per cent behind that. It works. Reaching the Champions League quarter-final in our first season wasn't bad, was it? A lot of attention has fallen on Gareth Bale. Do you think Europe's big boys will make Spurs an offer they can't turn down? I hope not. He's an amazing talent and we're lucky to have him. But I know Gareth's happy here and that the manager wants to keep all his best players, so I'm sure he'll be a Spurs player for many years to come. So what's the aim for the rest of the season? To get back into the Champions League. We've shown we can more than compete at this level and we're desperate to have another

taste of it. I certainly think we have the players to achieve that. It's looking a bit of a long shot at the moment... We'll keep on fighting. If we can go out and win the rest of our games, let's see where that takes us. How far are you away from challenging your North London rivals, Arsenal? In recent years, Arsenal have had the upper hand and that's been hard for our supporters. But if I look around our dressing room, I see incredible talent that can compete with anyone. Cheers for the chat. Finally, is finishing ahead of Arsenal a long-term goal? Definitely. The manager believes we can win the league one day, and so do the players. Why not? We've now got that faith in ourselves.

PHOTOS: GETTY IMAGES; ACTION IMAGES

Van Persie: "All our efforts are focused on the title!"

Hi Robin! It's looking like another season without a trophy. How does that feel?

The season's not over yet! Manchester United still have to play us and there may be some twists in their journey yet. We're in a good position mentally because all our efforts are now focused on the title, while United have other commitments in the FA Cup and Europe. That may yet work in our favour.

What's more important – playing good football or winning trophies? Why can't we have both? We have a philosophy here that runs right through the club, from the manager to the staff, the players and the fans. We play creative football but always with the aim of winning the title. Like every footballer, I want to win things – and yes, it is frustrating sometimes – but in my head, I'm happy we're on the right track.

So Arsene Wenger isn't under pressure? Always there are questions, as if there's some problem at Arsenal. I can honestly say everyone shares the belief we can do positive things

here. We also have a great sense of unity, so if anyone is attacked we stick together. We don't spend millions and millions, we don't buy, buy, buy. Instead we build, we keep focus and have faith.

How has the manager reacted to criticism? Same as always – it's no problem. What he has achieved here is incredible. Anybody who knows anything about football appreciates this. Arsenal is a special club and a special team and that's credit to the manager.

How big a blow was it to drop out of the FA Cup and Champions League, and lose the Carling Cup final in such a short space of time? It was terrible. But it was here that our mentality had to come through. We gathered our emotions and said to each other, "OK, we have one chance left. Let's fight for it!"

So, can you seriously overtake Man United in the title race?

We're under no pressure – the difficulties will be for them. They have big games ahead and are leaders – with that comes responsibility and pressure. Hopefully, it'll affect them and give us our chance.

Mile-high tower!

Saudis plan to double the world's tallest building

WORDS: DAN QUINN
ILLUSTRATION: BILL MCCORMACK

Soon you'll be able to join the mile-high club without even stepping onto a plane. Because Saudi Arabia is planning the ballsiest building project in history – the Kingdom Tower. At a space-sniffing mile high, it'll stand at more than twice the height of Dubai's Burj Khalifa

(currently the world's tallest building), cost £12billion to build and will house everything from offices, swanky flats and even a shopping complex. It's set to sprout up in the Red Sea port of Jeddah as a centrepiece for the city and, at that height, we'll probably be able to see it from Blighty. Binoculars at the ready!

Kingdom Tower facts

- It'd take a whopping 12 minutes to reach the top of the tower using the lift. And, frankly, we don't even want to know how long it'd take to use the stairs!
- This magnificent monolith will take up over 12 million square cubic feet – that's a dozen Canary Wharfs, or about 200 football pitches.
- 3 Kingdom Holding Company, owned by the Saudi royal family, are picking up the tab for it. Luckily, their pockets are as deep as this tower is tall.
- It's being cobbled together by Dubai-based construction outfit Emaar, the same brickies and chippies who built Dubai's Burj Khalifa.
- The city of Jeddah only has a population of 80,000 – exactly the same number as the town of Warrington!

- An average human drops at a speed of around 120mph if flailing about – this is called terminal velocity and it takes about 10-15 seconds to reach this speed. If you jumped off the top of Kingdom Tower, you'd have 40-45 seconds to scream before the pavement put you out of your misery.

Track-ready BMW Z4!

Full-fat GT3 V8 race car, available to order in all good BMW shops!

- You're staring at BMW's answer to Plug and Play racing. The 2011 Z4 GT3 isn't some plaything for hairdressers to get to their salon a smidge quicker in. It comes fully eligible to do battle in GT3 championships and numerous endurance events such as the epic Nürburgring 24-hour.
- You can't buy anything bigger than a straight-six cylinder from the standard Z4 brochure, but the GT3 boasts a 4.4-litre V8 borrowed from the strictly limited-edition (available only in "Tango" orange) M3 GTS, but with over 50 extra bhp thrown in.
- It also comes equipped with on-board diagnostics and data-logging systems that'll beam your stats straight to your mechanics in the pit garage. There's even a pit lane limiter (you get told off for speeding in there) and a removable steering wheel for a super-swift exit.
- Helping apply that 500bhp to the 13-inch wide, rear-forged aluminium, 18-inch diameter wheels is a six-speed, straight-cut, paddle-shift, sequential gearbox. Brakes are feather-light, all-aluminium six-piston front callipers (378mm discs) and four-pots at the rear (332mm discs) for that extra blast of stopping power.
- BMW claims the Batmobile-style fins, blades and wings have improved the Z4 GT3's wind-slicing aerodynamic capabilities no end. Although the factory body shell and rigid safety roll cage is hewn from steel, the flared front wings, bonnet, roof, spoilers and the shark's mouth rear diffuser are made from super-light carbon fibre reinforced plastics (CFRP).
- All this means that this magnificent beast will hit 62mph from a standstill in around 3.9 seconds, up to a top speed of an estimated 190mph. Just don't blink!
- If you're a boy-done-good who fancies taking up sports car circuit combat as a hobby then you can visit a BMW showroom, cough up £278,000 (plus huge VAT) and one of these suckers will arrive on your doorstep.

WORDS: RORY BUCKERIDGE PHOTOS: AP

This is the bum-puckering moment when a makeshift, truck-mounted rocket launcher misfired while Libya's raggle-taggle band of revolutionary soldiers were shelling pro-Gadaffi forces in Brega, north-eastern Libya, sending the entire rear section of the launcher everywhere.

The rebels are fighting Gadaffi's well-trained forces with a fleet of cobbled-together heavy weaponry consisting of machine guns, mortars and rocket launchers bolted to any platform available. In this case, it was bolstered by pillows, cushions and mattresses. No wonder they've asked the UN for help!

JIM JEFFERIES!

GOES NUTS!

Warning: highly likely to cause offence!

"Turns out Neil Diamond has bumped me off the plane!"

Jim's a jet setter

I've just come back from doing some gigs in South Africa. It was amazing but at the airport on the way back, the guy on the desk tells me my ticket's been downgraded from business class to economy because the plane's over booked. He offers to compensate me the difference, but I tell him I just want my seat 'cos the promoter will get the money, not me. He won't budge, so I tell him to go f**k himself. I try to cheer myself up by going to the executive lounge, but the woman on the desk won't let me in 'cos they've downgraded my ticket. So I tell her to go f**k herself, too, and we have another huge row. Eventually she lets me in to her precious f**king lounge, and I overhear some American chicks going, "Oh, I heard that Australian guy being so rude to the staff!" So I tell them to go f**k themselves as well, at which point – no sh*t – Neil Diamond, the singer, walks in and says, "What's going on?" It turns out I'm ripping into his backing singers! I try to explain and then I discover that he and his entourage pulled rank and bumped everyone else off the plane – he's the real reason I didn't get my seat! So I said, "You know what, Neil Diamond, you can go and f**k yourself and all, you c**t!" They put me on another flight in the end, just to get rid of me!

Roo are ya?

I read that Wayne Rooney has lost his Coca Cola-sponsored Sky1 show after they were appalled by his swearing. How noble of Coca Cola to take the moral high ground after increasing global levels of obesity. Strange that they should get so hung up with his swearing, though. I mean, what were they going to call the show? *Hookers, Smoking And Cheating On Your Wife – Drink Coke?*

Need for speed

I see, too, that the SAS are now allowed to break speed limits to prevent a terrorist attack. This, of course, gives them parity with British cops, who've been doing it for years – usually on the way back from Greggs to stop their Steak Bakes getting cold!

Yanks a lot!

So, US billionaire Stan Kroenke has bought Arsenal. As a Fulham fan, I'm sick of foreign

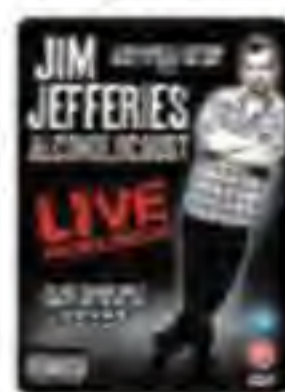

businessmen coming over here and buying up all the good players, not least when my chairman will only put his hand in his pocket to build statues of Michael f**king Jackson. That Kroenke's an unfortunate-looking chap though, isn't he? Is it just me or does anyone else think he looks like Ian Rush after a stroke?

OA Party!

Finally, I'd just like to wish *Playboy* boss Hugh Hefner a happy birthday. He's just turned 85 and threw a joint birthday bash with his son Marston, who turned 21 on the same day. What a nice gesture. Apparently, as a surprise gift, Hugh then went and f**ked all of Marston's friends!

BAE test their F-35 Lightning II jet's ejector seat. At 600mph!

You really don't want your pilot to write off your shiny £60million jet. But if he does, you'll want your man to touch down safely. So fighter jet specialists BAE Systems have built this –

the front of a F-35 Lightning II fighter, strapped to a 600mph rocket car on a track.

They then stick a mannequin in it, send the car off and pop him out at the 600mph mark. It takes just three seconds but,

with boffins taking 900,000 measurements per second, they're confident everything's working properly.

As for the mannequin, he gets a change of pants, then he's back in the saddle for more mayhem!

F-35 Lightning II – the facts!

- The Lockheed Martin F-35 Lightning II is designed to perform ground attack, reconnaissance and air defence missions, all with stealth capability.
- It has three main models – a conventional take-off model, a Harrier-esque vertical-landing model and a carrier-based one to boot.
- The US Government has just ordered 2,443 of these at a cost of £197billion, making it the most costly defence programme ever!
- It's capable of supersonic speeds of Mach One and above – blasting through the sound barrier with ease.
- A cockpit speech-recognition system is planned to help the pilot operate the aircraft simply by obeying his vocal commands!
- The aeroplane is basically the next generation of flying combat. If the project achieves all its goals, the F-35 Lightning II will be the most advanced fighter jet the world has ever seen.

Among them are a ballet dancer, '20s flappers, then Rosie and Melissa's saucy climax. Thirty-odd people doing choreographed dancing isn't easy to shoot, but after three hours of slips, collisions and chagrins, we have a video!

"It was fun!" explained our Rosie. It's not exactly hard work dancing in a nightclub!"

Next time you're late for something, you might want to consider whether taking a short cut is worth the risk after seeing what happened to *Nuts* reader Paul Bozward from St Helens.

His wedding ring, meant to join him in marital bliss with his

and pulled off all my skin!

I thought at first I'd just cut my finger, but when I looked down it was just bone. At the hospital, they couldn't put the skin back on so I decided to have the finger removed. I'm almost recovered and will be back in work soon – oh, well!"

Name games

A woman arrives at a party. While scanning the guests, she spots an attractive man standing alone. She approaches him, smiles and says, "Hello, my name's Carmen." "That's a beautiful name," he replies. "Is it a family name?" "No," she replies. "As a matter of fact, I gave it to myself. It represents the things that I enjoy most - cars and men. Therefore, I chose 'Carmen'."

"What's your name?" she asks.

He says, "BJ Titsengoll."

Bella

She's a 34E delight from Devon!

INTERVIEW: NICK WATKINS PHOTOS: ZOE MCCONNELL
HAIR & MAKE-UP: JOHANNA DALEMO STYLING: SPECIAL K

Hi Bella! How does it feel to be *Nuts*' Next Top Model? It's exciting, but I'm nervous! I don't know why, but I get nervous on shoots. I hope the pictures look nice! You won our Bedroom Babes competition last year – did you expect that when you sent your pictures in? Not at all. I just sent the pics in and didn't really think about it, but I'm happy! I hope I can go a lot further in the future!

Who's your inspiration in modelling? Rosie Jones. She's my age and really well known already and she's so beautiful. I hope I can do half as well as her! **What one thing can all men do to make themselves more attractive?** Make sure you're not too big-headed about yourself. I hate men who are too confident! **What are your best assets?** I'd have to say my eyes. I'm half Chinese, so it gives me kind

of a different look to everyone else. I think I'm quite unique – maybe even a bit mysterious! **How's your career going so far?** I'm from Devon, but I work in Newcastle at the moment because I like to work and make my own money. I want to do more modelling, but I think I'd have to move down to London. **What's your favourite kind of shoot?** I think some nice, dark underwear with long socks

accentuates my features nicely, but you can make anything sexy if you try hard enough! ■

FEATURE TITLE

The comedian on Katy Perry, Arthur and Becks' hair...

Hi Russell! You get to kiss Jennifer Garner in your new movie, *Arthur*. What was that like? Yeah, well I was very respectful of her and she's got cushiony, velvet lips. We heard you swapped nail varnish with her at one point. What's that all about? I do not own nail varnish! My mate's daughter put some glittery nail varnish on my thumb but it's now finally gone. It was there for quite a long time. It was transparent but with glitter in it! Fair enough but some chaps like wearing nail varnish... Do they? Maybe Marilyn Manson would put some on. Maybe like Lil Wayne – he could do it, couldn't he? He might wear ivory nail varnish or something with bars on, something that's representative of his public image or indeed traits. Didn't your lovely lady Katy Perry recently wear nail varnish that was made up of pictures of you? That was a lovely tribute. It was nice

to be commemorated on my wife's fingernails – not for the first time! Ha ha! Now that you're all married and settled down does it mean you spend all of your time shopping for furniture, or do you have someone do that for you these days? No, because otherwise it's not how you'd like it to be so you do it yourself. But remember, again, obviously my control is limited by at least 50 per cent because of another person and more than that because that other person is a woman! We imagine you're probably quite into soft furnishings... I like a bit of aesthetics and like things to look nice and everything. But we've got similar taste so there's not too much quarrelling, thankfully. So you've not gone from being a womaniser to arguing over paint and carpets with the missus? No, because I've learned from my friends who are married that it's just not worth it!

Your wife's good mates with Rihanna. Parties at your house must be amazing?

I suppose it's cool to be mates with Rihanna. It's nice. It's lovely. Two famous people who are pop stars. I've heard some rumours that I've supposedly encouraged her to get married, but that's not true. I'd never like me in a room going, "Go on Rihanna, get married." Maybe Katy has, I don't know because, you know, your wife's friends, they're just a thing on the horizon of your life.

So you don't get involved in their girl talk, whatever that is, then? No! I wouldn't! I'd rather be at Upton Park watching West Ham United, crunching on tin cans!

Didn't you go to watch the Hammers on your stag do? I did! It was a wonderful day, it was delightful and to see West Ham win is, in itself, a spectacular event.

Peter Stringfellow gave you the keys to his lap-dancing

club as part of your stag shenanigans, didn't he? Yes, he did. I've still got them! I'll just go in there in the daytime and just tidy up the place, make sure that the mirrors are polished.

What's a lap-dancing club like during the day then? In the evening, to tell you the truth, it's not particularly pleasant, but in the daytime it's odd they exist. There's an eerie chill and sticky carpets. Even pubs in the daytime can be a bit strange, like when you open one up in the morning. I used to work in a pub and it just seemed odd. I used to get drunk to cope because of the atmosphere!

What's a threesome like?

We've never had one! Efficiency! There's only a certain number of hours in the day and only a certain number of human beings in the world so, mathematically, sometimes you need to double up, but I'm no longer among the ranks of people who do. Thanks, Russell! Finally, you're mates with David Beckham. What's he like? Oh he's gorgeous! He sort of smells nice. Hair's lovely. And a lovely sort of twisted smile like he's restraining his smile – yeah, he's lovely! ■

The North Pole wasn't conquered on skis until 1983!

FROM AFGHANISTAN

Four wounded war vets trek to the North Pole!

Imagine a soldier lying on his back, morphine drowsy, the taste of blood in his mouth, the din of war all around.

Through the heat haze, he sees a Chinook whirl down to pluck him from the Afghan battlefield.

It sounds like the end of a story, but for four men maimed by RPGs and roadside bombs, this would actually prove to be the starting point of the greatest

adventure of their lives – an expedition to the North Pole.

The Arctic is the harshest place on Planet Earth. Unlike Antarctica, which is a land mass, to reach the North Pole you must cross a frozen ocean – a vast, floating ice sheet which can slyly shift below your feet, leaving you further from your destination after a ten-hour slog than at the start. Add to that the risk of the ice cracking open, the threat of polar bears and -50°C temperatures, and you have a daunting prospect.

Trying to conquer it able-bodied is tough enough, but to

attempt it without arms or legs is astonishing. But then the four men at the heart of Walking With The Wounded's polar expedition are just that. Although they'd never met before being selected to make the attempt for the war veterans' charity, they had one thing in common – they'd all suffered life-changing injuries serving in Afghanistan. In short, they were already heroes.

Coincidentally, two of the team, Captain Martin Hewitt and Private Jaco Van Gaas, both served with the 1st Battalion, The Parachute Regiment. "I was hit in 2007, a year before Jaco

joined up," says Cheshire-born Martin, 30, whose right arm was left paralysed by machine-gun fire as he led an assault. "If I hadn't been hit, I would actually have been his boss," he grins, "so he had a lucky escape!"

South African-born Jaco, 24, who had his left arm blown off by an RPG during an ambush in 2009 told *Nuts*, "My injuries make me more limited. When you're young you don't want to accept limits but out here on the ice you have to. Just trying to zip up my jacket in 70mph winds is impossible without help." Sergeant Steve Young, 28, of the

TO THE ARCTIC

Welsh Guards, who makes up the third of the four, agrees: "The buddy-buddy system that you learn in the Army is at the heart of what we do. Without it, we couldn't function out here."

Steve broke his back after the vehicle he was in hit an IED back in 2009. The fact he should have been in hospital at the time due to a previous incident which had all but killed him, says much about the men in this team. "I couldn't sit around in a ward while my boys were still in the sh*t," he told *Nuts* with a shrug. "In Afghan or the Arctic, it's the same, it's about backing your

mates up. I'll help Jaco zip his coat, and he'll pull my pulk (sled) when the cold locks my back up."

Captain Guy Disney, 28, from Oxford, completes the team. He was wounded while serving with the Light Dragoons, when an RPG smashed into the vehicle he was commanding during an ambush. "I was lucky," Guy says, with the kind of humility typical of the whole team. "It only ripped my leg off. The man sitting next to me was killed."

Each man's injuries present their own problems on the ice, not least because the challenge itself is so extreme. To clarify,

there are no dogs, snow mobiles or airdrops on this expedition. This team aims to cross-country ski 250 miles to the Pole, hauling their kit on 100kg pulks behind them, often over 30ft-high ice walls called pressure ridges. A seemingly impossible task for someone like Guy who wears a prosthetic right leg.

And yet, for them, impossible just isn't an option. "The Army trains you for victory," says Martin, "to adapt to demanding situations and stay alive." Or, as Guy puts it, "to keep on living."

Jacko agrees. "When sh*t happens, you can either give in

to it or accept the challenge of living with it. Whatever you face in life, there's always a way out. The way I see it, if I'd never been blown up, I'd never have got the chance to do this."

"I was told I'd never walk again," says Steve, who was on his feet again within nine weeks of being blown up, "and here I am walking to the North Pole. Thinking about it, I must be a bloody idiot!" ■

LACEY & PALS GET NAUGHTY!

Warning! These pics may cause shortness of breath and intense joy!

Our *Nuts* girls are a saucy bunch! We asked them to pose for the rudest pictures they could, and the result is possibly the naughtiest photo shoot we've ever seen! Gents, Lacey, Emma, Holly, Melissa and Kelly have a real treat in store. Enjoy! ➡

LACEY!

LACEY!

Hi Lacey! Is this the rudest photo shoot you've ever done? Yeah, probably! It's my second shoot for *Nuts*. The one before wasn't as S&M as this, though. It's all whips and darkness!

Which of the other girls are the naughtiest to work with? I think Kelly Andrews might be a bit of a dark horse – she's a bit cheeky and naughty!

What's the rudest thing you've ever seen? It wasn't that long ago, actually. It was a flasher! It was quite late and I was walking home. He was just standing there with his coat open! I ran – very fast!

What's the naughtiest outfit you own? A black and red corset – that's quite naughty. It's got little crotchless pants!

Is that something you wear often? Yeah, occasionally, but I don't really see the point of crotchless pants because you just take them off anyway! Maybe it's just better to be naked...

Who's the last person that made you laugh? Charlie Sheen – I love him!

If we gave you £1million what would you do with it? I'd probably give loads to charity then go on a huge shopping spree!

Would you spend some of it on kinky stuff? Probably not because I'm quite selfish! I'd want it for myself, so unless I was going to start whipping myself, no!

What's a big turn-on for you? I think it's really good when a guy gets to your sensitive spots, kissing your neck and ears, and your inner thighs.

Describe your personality. I'm quite wild, I don't think before I speak and I'm quite spontaneous. I'm very loud and outspoken, too!

Finally, tell us something about you that'd surprise our readers? I have funny toes.

What, like claws? No! I keep them trimmed! I just think they're a funny shape! ➡

HOLLY!

Hi Holly! What's the rudest movie you've ever seen?

I watched the film *Gia* recently starring Angelina Jolie – there's loads of lesbian goings-on in it!

Would you like to do a lesbian scene with Angelina Jolie? Oh god, who wouldn't?

Is this the rudest shoot you've ever been on? This is probably the riskiest because it's all bondage, masks and whips!

Have you ever taken naughty pictures of yourself? No, but only because I'm scared of where they'll end up!

What's your favourite fast food? Probably curry. Chicken jalfrezi. I don't really like them too hot but just hot enough.

Is there anyone you'd like to eat curry off? No! It's too hot and smelly!

What about a korma then? No! I don't like kormas! Curry would be too hard to eat off someone. It'd have to be something easy like doner kebab meat.

If we gave you £1million what would you do with it? I'd go on a mad holiday and buy lots of shoes!

Have you ever bought any of the kinky things we're using on this photo shoot before? I don't own any whips or chains, but that's because I've never met anyone who's into all that.

What's a big turn-on for you? Someone who's really confident in themselves, in their body and sexuality.

Is there anything you want to do after modelling? I'd like to be a make-up artist. **So, finally, if you could do the make-up for anyone, who would it be?** Man – David Bowie, I love him! And girl? It'd have to be Kim Kardashian. ➔

**LACEY AND PALS
GET NAUGHTY**

A full-page photograph of Melissa Joan Davis. She is wearing a black, low-cut corset with thin straps over her shoulders. She is sitting on a dark, plush surface, possibly a velvet sofa or chair. She has blonde hair and is looking directly at the camera with a slight smile. The background is dark and out of focus.

MELISSA!

Hi Melissa! Did you enjoy this shoot? Yes! I've never done anything like this before!

Have you ever taken naughty pictures of yourself? Yes, I think most girls have.

And you're not scared of them getting online? No, because I wouldn't send them to someone I've only known for five minutes!

What's the rudest movie you've ever seen? *Black Swan*. Natalie Portman's a bit lesbian in it and likes touching herself up in bed, so I thought that was quite rude!

If you were an actress, would you do that lesbian scene Natalie Portman did? Yes, of course! The other girl, Mila Kunis, is gorgeous too!

Describe your ideal night out. It'd be with all my closest friends, and then we'd go out to a really big club!

Do you prefer trendy blokes or scruffy blokes? I do like a guy in a suit, but I think scruffy guys win in the end.

What's your favourite drink? I love a JD and Coke, or a JD Cosmopolitan cocktail.

What's the wildest night out you've ever had? My 22nd birthday. I went to London and ended up in a strip club!

Finally, what turns you on? Someone who smells good with nice aftershave and is confident, not cocky! ➡

EMMA!

Hi Emma! Is this your sexiest *Nuts* shoot ever?

I did one last year that was in this same house, with Lindsey Strutt. That was quite sexy, but this is definitely up there!

What are you looking forward to working with today? Whips, chains and handcuffs!

Have you ever bought any of these things for yourself? I haven't, but I've been tied up with a dressing gown belt!

Where's the strangest place you've had sex?

Probably in a car. Actually, I lived in a big block of flats once, near where the communal bins are.

You've had sex in the bins? Not in the bins! Just near them.

Describe your ideal night out. It'd be all my friends coming over before we go out and have a laugh!

Beards or clean shaven? I prefer a bit of stubble – a bit rough-and-ready.

If we gave you £1million what would you do with it? I'd take all my family on a big holiday, then a few houses, maybe a car... You know what? The first thing I'd buy is a dog – I really want a Great Dane.

What's the quickest it's taken for you to get down to business with a fella?

A month, maybe. I wouldn't go with somebody just from knowing them.

What's a big turn-off?

Someone who stinks and has BO. Or is generally just unclean, like they don't clean their teeth and stuff.

Finally, what's the maddest night out you've ever had? Me and Strutter went on holiday last year to Marbella and at the end of one night, we had a chip fight in a kebab house! ➡

Hi Kelly! Enjoying the shoot?

Yeah, the outfits are sexy! The other girls look really hot and the shoot looks amazing!

Have you ever taken any naughty pictures of yourself?

Yes, I have quite a few stashed away on my phone!

But not on Facebook? No!

Sometimes you take pictures that are for personal use!

How many times a day do you have a rude or sexy thought?

I reckon I think of something mischievous about every five seconds!

Describe your perfect chap.

Someone who's respectable and honest – someone who listens to his girlfriend.

Do you prefer weighty men or muscular blokes?

To be honest, I'm not bothered as long as they keep themselves nice and clean.

If you were made the Queen tomorrow, what would be the first thing you'd change?

I think I'd make a day where everyone has to dress up like this – National Bondage Day!

Tell us something about you that would surprise our readers? I'm a bookworm.

What's the sexiest language in the world? It'd have to be one of the languages of love! French, Italian or Spanish.

What do you see yourself doing after modelling?

I want to go back to studying law at university.

And if you were a barrister and could represent someone in court, who would it be? Katie Price. She'd be a dead interesting client. The Beckhams would be good to represent in court, too! ■

TELEVISION GAMES, EVERY WEEK!

"Any chance of a piggyback, Leo?"

Barcelona vs Real Madrid!

Nuts takes a look at El Clasico – the biggest game in club football!

It's the most watched football match in the world, and with Barcelona and Real Madrid in the middle of four match-ups in just 16 days, we thought we'd have a look at just what makes El Clasico the number one footie fiesta in the world!

With world-class performers like Messi, Ronaldo, Villa and Kaka on show, and so much history and regional rivalry at stake, you know these games will always be unmissable occasions for any serious fan of the beautiful game. Once you've chucked the controversy

magnet that is Real boss Jose Mourinho into the mix and considered that Real haven't won the Copa del Rey (aka "The King's Cup" – the Spanish equivalent of our FA Cup) for 18 years, you'd be insane to miss this clash of the titans!

Such is the strength in depth of both clubs' squads, even the sidelines are worth watching. And since these two foes also play each other in La Liga and a Champions League semi-final either side of this showpiece at Valencia's Mestalla stadium, the rivalry should be at fever pitch!

Head-to-head rivalry!

BARCELONA

Honours: 48 (20 league titles, 25 Copa del Reys, three European Cups)
Stadium: Camp Nou – capacity 99,354
Wins over Real: 82
Greatest players: Johan Cruyff, Diego Maradona
Record signing: Zlatan Ibrahimovic, £61.5m in 2009

REAL MADRID

Honours: 57 (31 league titles, 17 Copa del Reys, nine European Cups)
Stadium: The Santiago Bernabeu – capacity 80,354
Wins over Barcelona: 85
Greatest players: Alfredo Di Stefano, Ferenc Puskas
Record signing: Cristiano Ronaldo, £80m in 2009

The stars!

LIONEL MESSI

Having moved to Barca from his native Argentina aged only 13, "Leo" Messi had won the Ballon D'Or and FIFA World Player of the Year awards by the age of 22. Not bad going!

Age: 23

Goals: 175 in 260 games*

Value: £100m (estimated)

CRISTIANO RONALDO

The most expensive player in football history, Ronaldo's contract is worth over £11million a year, and his buyout clause is set at £1billion!

Age: 26

Goals: 73 in 80 games*

SCRAPS!

Best ever games!

BARCELONA 5 REAL MADRID 0 (29 NOV 2010)

In one of the most complete football performances ever seen, Barca stunned the world by tearing Real apart, with some incredible passing and beautiful goals. Jose Mourinho called it "the worst moment of my career."

REAL MADRID 4 BARCELONA 1 (7 MAY 2008)

Madrid celebrated the La Liga title by being clapped onto the pitch by Barcelona, and thanked them with a thrashing! Xavi saw red and the Catalans were utterly outclassed as the Santiago Bernabeu stadium went crazy in celebration.

Maddest moments!

PIG'S HEAD!

When former Barcelona hero Luis Figo moved from Camp Nou to Real Madrid, all hell broke loose. The first time he returned to his former club, for a 0-0 draw in 2002, the Barca fans pelted him with empty bottles, flares and, bizarrely, a pig's head!

HANDBAGS!

During this season's 5-0 pasting at Camp Nou, Cristiano Ronaldo pushed Barca boss Pep Guardiola to try and get the ball back off him for a throw-in. A 20-man brawl erupted, with Real's Sergio Ramos getting sent off for throwing a punch. Mental!

MADNESS!

The gaffers!

PEP GUARDIOLA

Age: 40

Honours: Seven (including the treble with Barca in 2009). Guardiola is the youngest manager ever to win the Champions League.

Top quote: "Every great side has a player that makes the difference. Messi is that player."

JOSE MOURINHO

Age: 48

Trophies: Fourteen (including the treble with Inter in 2010). Between 2002 and 2011 he went unbeaten in 150 home league games!

He's the voice of the fans – and he's only in *Nuts*!

"So I says to her, 'Is true
– the left one is heavier
than the right one'"

Carlo feeling Roman's wrath after a year without trophies!

It's amazing to think that it's barely a year since Carlo Ancelotti won the league and FA Cup double in his first season at Stamford Bridge.

Since then the likeable Italian has seen both sides of working for Roman Abramovich, first with the inexplicable sacking of Ray Wilkins as his number two, and secondly being handed a

"Chelsea are Abramovich's plaything!"

struggling £50million striker in the shape of Fernando Torres.

The truth is that the situation at Chelsea now echoes Real Madrid – if you don't win the domestic title or the Champions League in one season then the manager is out the door.

It may frustrate Chelsea fans that no one boss is allowed to develop over time or to bring players through, but it's a fact that Chelsea are the owner's plaything and after investing over a billion pounds, he can pretty much do whatever he wants. As we saw with the

green-and-gold protests at Old Trafford, short of a mass boycott – which is very unlikely – not much can be achieved by fans unhappy with their owners.

The situation may turn out to be a blessing in disguise for Ancelotti, who will no doubt be handed a very nice pay-off in the summer and land another top job pretty quickly.

Apparently, a fair few of the Chelsea squad would like to see Jose Mourinho return, but I can't see that happening. Jose likes a new challenge each time he moves on and he knows the

pitfalls of working under Abramovich – their egos are simply too big to coexist. I maintain that the Portuguese genius is more likely to take over at Man City, where he knows intervention into football matters by the owners is of a minimum, and he'd have an unlimited budget to work with.

Either way, we're definitely seeing the results of what happens when mega-rich men take over football clubs – if the managers don't produce good results straight away they'll get a P45 in the post!

Edwin van der Sar's last season at Old Trafford may possibly be his best yet, but reported target David De Gea, from Atletico Madrid, is well-known as the best young goalkeeper in Europe. He already has plenty of top-level experience and Sir Alex knows he'll boss the back four just like Iker Casillas did at Real Madrid at a similar young age.

Nuts GAMBLING MASTERCLASS!

We poured this advice into a *Nuts* man's head and sent him online to try to win!

Deal or No Deal top tips!

Deal or No Deal is a game enjoyed just by those who believe in a "system", right? Well, the TV game show might be, but the multi-line slot isn't!

For as little as 5p a go, you can win big – and if you're willing to play on all lines, you could win a progressive jackpot. In fact, one winner walked off with £1.96m!

And best of all? You can win big money in the comfort of your own home!

HOW TO PLAY

- The aim is to get winning symbol combinations from a spin of the reels, with the ultimate aim being to win the progressive jackpot.
- You can gamble up to 20p on each of the 20 pay lines. That's up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win cash.

THE NUMBER LINES

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

BONUS GAME

If you're betting on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins. This is much like the Deal Or No Deal TV show, only the big progressive jackpot is at stake here. Don't be too greedy or, like us, you could end up with £8 instead of £100!

He won big!

David R won £58,236 on Deal or No Deal!*

'Gers ace shows his true colours!

When it comes to being absolutely balls-out, mad-as-a-box-of-frogs crazy, very few footballers can match El-Hadji Diouf. When he's not sporting the kind of haircut that would make one of the Muppets embarrassed, he's pimping his ridiculously expensive Merc!

MANAGER'S CORNER!

No.4 Paul Lambert

This week, the Norwich City gaffer!

What's your earliest sporting memory? The 1978 World Cup finals. That was probably about the time I started to watch football. Not the worst time for a young Scot to start watching football.

If you weren't a footballer, what career would you have gone into? I'd probably have worked for my dad, who was a roof tiler. My dad used to take me out to work with him when I was young. I don't envy people doing that job, it's a really hard game. I don't think I'd have been very good at it but it's the one thing I could have fallen back on.

Which manager, of any era, do you admire most? You've got to look at Alex Ferguson. He's done something phenomenal at Man United. And what Jose Mourinho does is incredible. You have to admire them and think, "How do they do that?"

What was your first car? It was an Astra. A white one. What's on your iPod? All different things. It could vary from U2 to Bon Jovi. I'm not into one particular thing, but the last bit of music I put on was Aerosmith.

What would you sing at karaoke? Maybe Phil Collins or Neil Diamond. Something like that. I like *Against All Odds*. I'm hopeless at it but that's one I have tried!

If you could have a dinner party with three people, dead or alive, who would you pick? I'd have Elvis Presley, George Bush and George Best.

What would you cook for them? Are you a dab hand in the kitchen? I'm hopeless, absolutely hopeless. Delia Smith could probably do all the food, now that I'm at Norwich. I'm sure Delia could probably whip something up but if you wanted someone to cook, you couldn't get anyone better!

LADIES CONFESS!

**100%
REAL
STORIES!**

TO OUR SECRETARY!

IT'S LOU!

CONFESSION OF THE WEEK!

'I screamed with pleasure'

Last year, I went on a girly holiday with my best friend. One night we'd been out in fancy dress, with her in a policewoman's uniform. When we arrived back at our hotel, I jumped into the shower and, moments later, my friend joined me wearing nothing but her hat. Her hands started exploring my wet body, starting with my nipples, until her fingers were inside me. Suddenly, she grabbed the handcuffs from her outfit, led me to the bed and locked me to the rail. She was soon between my legs, tickling me with her tongue. I screamed with pleasure as I came. It was the best holiday ever and I always make sure I have some handcuffs ready when she comes round!

Kara, Derbyshire

'He touched me under the table'

During a friend's wedding, I sat next to a fit bloke I'd seen at a few parties and had always had my eye on. We'd drunk loads of

wine and everyone was chatting merrily around the table. We just couldn't stop staring at each other – he had big full lips and I couldn't wait to kiss him. Soon I felt his hand stroke up and down my leg. Feeling more and

more horny, I grabbed his hand and slid it up under my skirt towards my knickers. He gently pushed and rubbed against me until I was squirming in my seat. Then I couldn't take any more and whispered to him to meet me in the gents toilets in five minutes. As soon as he arrived, we locked the cubicle door, then I unzipped his trousers and took him in my mouth. His hands grasped around the back of my head as I worked my mouth up and down. At that point, a fellow guest walked into the men's so I had to continue slowly and silently. Once he'd gone, though, I really went for it, and while I still had my mouth full, my new man loudly voiced his approval!

Fiona, Manchester

'He put his hand down my top'

I recently had an encounter with an extremely cute bloke in my local library. He wasn't really my usual type but each week when I visited, he was so attentive and helpful that I just couldn't stop smiling and grinning at him. One day, we were in the science section, which was pretty empty, and he stared at my top and rested his hand on my thigh. I'd normally have thought that this was really cheeky but I admired his guts. Within a minute we were kissing and his hands were down my top and all over my boobs. I rubbed his groin and was pleased to discovered a huge bulge there.

It seemed this quiet librarian hid a monster in his pants, as I went on to confirm. I can't wait to go back as I'm intrigued to do some more in-depth research on this well-schooled library boy!

Jenna, London

'His manager walked in'

Recently, my girlfriends and I decided to go out clubbing. While we were there, I'd noticed the guy serving behind the bar was really hot and, after a couple of drinks, we started flirting. Towards the end of the night, he beckoned me to follow him and he led me straight to his boss' office. One thing led to another and we began having the most amazing sex right there on the desk. Suddenly, in the middle of our fun, his boss walked in but instead of being angry, he got really excited and just stood there staring at us as we continued getting frisky. It was such a turn-on and next time I might get him to join in!

GAMES!

Portal 2 features a co-operative mode where two players work together

PORTAL 2 PC, PS3, XBOX 360

This shooter/puzzler hybrid is both the funniest and the most challenging game you'll play this year. That might seem

fairly straightforward – pop a

portal in one wall, and blow an exit in another with your portal gun – but the utterly ingenious level design makes this much easier said than done. Add fiendishly funny writing and voice acting by Stephen Merchant and you've got the recipe for something of a classic. ★★★★★

DVDS/BLU-RAY!

Musical guests on *Treme* include Elvis Costello, Dr John and Steve Earle

TREME DVD & BLU-RAY CERT TBC

This slow-burning drama follows the intertwining fortunes of New Orleans locals dealing with life after Hurricane Katrina. As you might expect

from the bloke behind *The Wire*, it's a winner. Brilliantly realistic as well as funny (Steve Zahn is hilarious as a music-loving slacker), with warmth at its heart, you'll find yourself slowly drawn into these folks' world. Cool soundtrack, too. ★★★★★

MEET THE PARENTS: LITTLE FOCKERS DVD & BLU-RAY CERT 12

Ben Stiller continues the silliness of the previous films, leading another all-star cast. Jessica Alba steals our attention. ★★★★★

BEAR GRYLLS – MOUNTAINS DVD CERT TBC

Bear travels to some of the world's most extreme mountain ranges to show off just what a man he is. Entertaining, as ever. ★★★★★

BLOOD SIMPLE DVD CERT 12

Odd Chinese thriller based on a Coen Brothers film. The original title was *A Woman, A Gun & A Noodle Shop!* Has its moments. ★★★

MUSIC!

CHIPMUNK TRANSITION

Our favourite rapping rodent's second album is a poppier affair, with

Wretch 32 and Trey Songz among those guesting. ★★★★★

DROPKICK MURPHYS GOING OUT IN STYLE

More bonkers rabble-rousing punk with a strong Celtic flavour – much

Guinness will surely be spilt moshing to these tunes. ★★★

MOVIES!

The sixth *Fast & Furious* movie is already being developed

FAST & FURIOUS 5 CERT TBC

It just went "from mission impossible to mission in-freaking-sanity," as Vin Diesel dusts down the nitrous-powered muscle cars and gets the old team together for a \$100m dollar heist. But with Dwayne "The Rock" Johnson on

his tail and a ruthless drug lord to outfox, he's gonna need his innate ability to spout cheesy one-liners, thrash cars and kick ass to get the job done. Oh, and look out for hotties Jordana Brewster and Gal Gadot. We like! ★★★★★

CLOSER TO THE EDGE CERT TBC

This ace doc follows Guy Martin in the infamous Isle of Man TT race, giving his Honda hell. See it in 3D for a full-on ride! ★★★★★

ARTHUR CERT 12A

A comedy that's sadly more "rom" than "com". Even Russell Brand's manic star turn as a rich drunk can't save this remake. ★★
